Pete's MARKET | BeanStalk™

NOVEMBER AT PETE'S MARKET

Gather around. Go plant-based.

Big flavor for every fall gathering.

SeaFood Rings

Crispy bites. Crowd-pleasing flavor.

Burger

Bring big flavor to burger night.

Crumbles

Make taco night a plant-based favorite.

Pastrami

Stack up a delicious deli-style sandwich.

Find BeanStalk in the frozen aisle

100% vegan. Full of possibility.

Serving suggestions shown.

SAVOR THE SEASON WITH PORK!

pork TASTE WHAT PORK CAN DO.

Ingredients

2½ lbs boneless New York (top loin) pork roast
1½ cups fresh rosemary
12 cloves garlic
3 tbsp olive oil
2 tbsp balsamic vinegar
1 tsp salt
2 tsp black pepper
2½ lbs small red potatoes, cut into ½-inch wedges

Directions

1. Preheat the oven to 450°F.
2. In a food processor, combine rosemary leaves, garlic, oil, vinegar, salt, and pepper. Pulse to make a course, wet paste, scraping down the bowl as necessary.
3. Spread 3/4 of the paste on all sides of the pork roast.
4. Place roast, fat side up, in a shallow roasting pan. The pan should be large enough to hold the roast with 3 inches of room around all sides.
5. Place the pork in the oven and roast for 15 minutes.
6. Meanwhile, in a large bowl, combine potatoes and remaining paste.
7. Add potato mixture to the roasting pan, arranging potatoes around the roast. Reduce the temperature to 350°F and continue roasting for 40–45 minutes, tossing potatoes halfway through.
8. The pork roast is fully cooked when the internal temperature reaches 145°F, and the potatoes are fully cooked when tender. If the roast is done before the potatoes, transfer it to a cutting board and continue roasting the potatoes until done.
9. Remove the roast from the oven and let it rest for 10 minutes.
10. Slice the roast and arrange on a platter. Surround with potatoes and serve.

BRING FLAVOR TO THE PARTY!

Ingredients

2 lb baby back pork ribs, membrane removed (about 1 rack)
8 cloves garlic, minced
1 ea orange, zest and juice
1 ea lime, zest and juice
2 Tbsp brown sugar
2 Tbsp sofrito (optional)
1 Tbsp adobo
2 tsp sazón
1 tsp oregano
¾ tsp cumin
¼ cup honey
¼ cup cilantro, chopped, plus more for garnish
To taste salt and black pepper

Directions

1. Preheat grill to 250°F, with an indirect heating location – if using a gas grill, only light half of the burners; if using a charcoal grill, move hot coals to one side of the grill.
2. In a baking tray place a large piece of aluminum foil and top with parchment paper. Place ribs, meat side down, onto parchment.
3. In a small bowl combine garlic, orange zest, lime zest, brown sugar, sofrito if using, adobo, sazón, oregano, and cumin. Stir and season with salt and pepper. Rub mixture on all sides of ribs until well coated. Wrap parchment and foil around ribs creating a tight packet.
4. Place foil wrapped ribs onto the indirect heat section of the grill, meat-side down, and close the lid. Grill for 1 ½ - 2 hours, until ribs reach an internal temperature of 145-195°F with a 3-minute rest. Remove from grill and allow to cool slightly.
5. While ribs are cooking, prepare glaze by combining juice of one orange and one lime, with honey and cilantro. Set aside.
6. Increase grill temp to 350-400°F. Unwrap ribs and brush on both sides with glaze. Place on direct heat section of grill and grill on both sides, brushing with glaze 1-2 more times, until caramelized. Reserve remaining glaze.
7. Remove ribs from grill and cool for 5-10 minutes before cutting. Drizzle with remaining glaze and toss to coat. Garnish with cilantro and season with salt and pepper as desired. Finish mojo ribs with orange and lime zest and pair with red beans and rice In ingredients: update listed orange and lime to include, plus additional zest for garnish.
